I. Forward

The following “Rules & Regulations” have been adopted and will be administered by the Vanderbilt Community Association, Inc. (“Association”) through its Board of Directors (“Board”) as provided in Article VIII, Section 22 of the Master Declarations of the Association, and as amended from time to time. It is the intent of the officers and directors to administer the Rules & Regulations so that everyone will obtain maximum use and enjoyment of the facilities of Vanderbilt Country Club (“Club”). It is the duty of those using the facilities to know the Rules & Regulations of the Association and to cooperate with the officers, directors, and staff in the enforcement thereof.

The Rules & Regulations of the Association are designed to protect the rights and privileges of members of the Club, their families, guests, and staff and to protect Club property. The rules also ensure the Club is doing its best at providing the very best in fellowship, recreation, and enjoyment.

These rules also apply to members’ guests and tenants. Members are ultimately responsible for the actions of their guests and tenants and for any damage caused to Club property. Accordingly, it is of critical importance for members to ensure their guests and tenants have a copy of the Rules & Regulations and comply with them.

II. Membership and Privileges

A. Membership

Members and their accompanying guests are entitled to use all the Club's facilities in accordance with their membership status.

B. Designees

An owner's designee is meant to be a permanent assignment. Changes to designee(s) may be made if circumstances of the owners/designee(s) change appreciably (i.e., change of ownership of unit, death, or any other change deemed appreciable by the Board). Under no circumstances, other than change of ownership or death, may the designation be changed more than once in a twelve-month period.

1. A member is an owner of record (name appears on deed), as defined in the Declarations. If a change to the deed has been made it must be acknowledged before a notary public and recorded in the public records of Collier County, Florida.
2. No more than two persons, who are living together in a residence, are entitled to the use and enjoyment of common recreation areas as members (except dependent children under 23 years of age living and residing in the unit). Therefore, a maximum of two owner's designees who are living together in a residence are entitled to the use and enjoyment of the golf course and recreation areas, as the owner's designees for that residence.
3. Designees are one or two individuals (who have been designated as members by the owner(s) of record. Owners who are not the "owner designees" may only use the golf course and recreation areas as a guest of an owner(s) designee or on the same basis as the public, to the extent public use is permitted. Non-designee spouses are entitled to reduced greens fees, and they may charge food and beverages to the designee's account once arrangements to do so have been made with the director of member services.
4. Only owners have voting privileges in the Vanderbilt Community Association.
5. Following is a summary of Article V, Section 5.2. of the Master Declarations of the General Protective Covenants, Conditions and Restrictions of Vanderbilt County Club regarding limitations on the number of persons using the golf course and recreation areas and also the definitions of "owner's designee(s)":
 - a) HUSBAND & WIFE NAMED ON THE RECORDED TITLE: When the recorded title is held in the name of a husband and wife, both shall be the Owner's Designees for purposes of enjoyment of the Golf Course and other recreational facilities of VCC.
 - b) EITHER A HUSBAND OR A WIFE NAMED ON THE RECORDED TITLE: When the recorded title is held in the name of either a husband or a wife, then the Owner shall be the TITLE HOLDER and the OWNER'S DESIGNEE shall be the RECORD TITLE HOLDER and the spouse.

- c) UPON THE DEATH OF A SPOUSE/OWNER DESIGNEE: When the RECORD TITLE HOLDER is a husband and wife, upon the death of one (1) spouse, the surviving RECORD TITLE HOLDER shall be entitled to name one additional OWNER'S DESIGNEE, who either (i) is a direct descendent (child or grandchild) of the RECORD TITLE HOLDER; or (ii) is a natural person over the age of 21 and who resides with the RECORD TITLE HOLDER and both persons provide an Affidavit of Joint Residency.
- d) ONE (1) PERSON NAMED ON THE RECORDED TITLE: When the recorded title is held in the name of one individual, a natural person who does not designate a second Owner's Designee, then only the individual RECORD TITLE HOLDER shall be the OWNER'S DESIGNEE for that Residence. When the recorded title is held in the name of one individual, a natural person, the RECORD TITLE HOLDER shall be entitled to name one additional OWNER'S DESIGNEE if that person is over the age of 21, resides with the RECORD TITLE HOLDER and both persons provide an Affidavit of Joint Residency.
- e) MORE THAN TWO (2) NAMED ON THE RECORDED TITLE: In the event there are more than two (2) Owners of a residence, then any two (2) of the Owners of the residence may be designated from time to time to use and enjoy the Golf Course and Recreation Areas as the "Owner's Designers ". When the recorded title is held in the name of two (2) or more natural persons who are not husband and wife, the RECORD TITLE HOLDERS shall designate the two (2) Owner's Designers from among the RECORD TITLE HOLDERS, who shall be natural persons, over the age of 21 years.
- f) CORPORATION, a LIMITED PARTNERSHIP or a LIMITED LIABILITY CORPORATION on the RECORDED TITLE: When the recorded title is held in the name of a Corporation, a Limited Partnership or a Limited Liability Corporation, the TITLE HOLDER may designate two Owner's Designees who are natural persons and over the age of 21.
- g) TRUSTS NAMED ON THE RECORDED TITLE: When the recorded title is held in the name of a Trust, the RECORD TITLE HOLDER is the Trustee and the Trustee shall be recognized as the OWNER and the Trustee of the Trust may designate two (2) natural persons, over the age of 21, as the OWNER'S DESIGNEEs provided that either: i) both natural persons so designated have either a direct interest in the Trust as the Grantor, Trustee or a beneficiary of the Trust; or, ii) reside with the Grantor or reside with the individual, a natural person named as the Trustee, and both persons provide an Affidavit of Joint Residency.

C. Leasing, Rentals and Guests

Vanderbilt Country Club is a residential community with amenities provided for the use and enjoyment of members and tenants/guests to whom member privileges have been properly transferred, and family members and friends of members (guests) who do not pay consideration to their host members and who are visiting for 30 days or less. In engaging in leasing or rental activities, or in permitting guests the use of a residential unit when the Member is not present, the following rules will apply:

1. As provided in the Master Declarations, Members' residences may not be leased for less than 30 consecutive days (except February), more than twelve consecutive months, or more than four times per year.
2. As provided in the Master Declarations, members and their tenants/guests, (when the member is not present at the club at the same time as their guests) must submit a completed Member Transfer Application for approval by the association in a form approved by the Director of Member Services. The application must be submitted at least 30 days prior to the commencement of a lease or rental arrangement. The application must be completed entirely and signed by both the member and the tenant/guest and be accompanied with the applicable payment.

D. Delegation of Privileges

A member may delegate the right of use of the club facilities to either their tenants or guests only when the member and his/her permanent family are not in residence. This is accomplished only by submitting an executed Membership Transfer Application to the club; paying an administrative fee as required and the applicant must be approved by the Board of Directors or its agent. Membership Transfer Applications may be downloaded from the club's website or obtained from the administration office.

1. During the period specified on the Membership Transfer Application, the member waives the member privileges. No rental will be permitted unless such transfer includes a complete divestiture of the owner's member privileges.
2. The tenant must reside in the residence for which the privileges are delegated.
3. Privileges for the use of the common areas can be delegated to only two tenants or two guests per residence up to four times per year for a minimum of 30 consecutive days each and a maximum of one year. No lease is valid, and no transfer of privileges may be approved, for a term of less than 30 consecutive days, except during the month of February, when a 28 or 29 consecutive day transfer will be considered.
4. Delegation of privileges will only be approved if the Member's account is current in monthly charges, billings and assessments and the Member's membership status is in good standing.
5. No membership transfer fee refund will be made for any cancellation within 60 days of the arrival date.

E. Guest Fees and Privileges

The guest of either a member or a tenant is entitled to the use of the clubhouse and recreational facilities under the rules and fees established by the Board of Directors.

1. An individual who has paid a daily guest fee for the use of the golf course or tennis courts is also entitled to the use of the clubhouse.
2. The General Manager/COO or any other management personnel employed by the Club may deny guest privileges.
3. Individuals attending catered functions booked by Members or by non-Member organizations are considered “guests” and must adhere to all applicable rules.

F. Photographs

For purposes of security, current (three years or less) photographs of all members and tenants must be on file with the Administration Office. The Club may use members’ photographs in the database, online directory, promotional material, membership releases, on the website, mass emails, etc. unless advised in writing to refrain from such use.

G. Billing and Payments

1. Members, and those whose membership transfer applications have been approved, will be assigned a Membership Account. All Membership Accounts and dues of Members are due and payable when the monthly billing statement is rendered.
2. The following methods of payment for dues and Membership Accounts are acceptable:
 - a) A personal check drawn from a United States bank
 - b) A United States money-order
 - c) A credit or debit card payment via Plastiq.com or other card-processing company approved by VCC management
 - d) A United States traveler's check
 - e) Direct debit from a United States bank checking or savings account
3. Cash is not accepted.
4. All billing disputes must be communicated to the Accounting Office within 90 days from the date of the statement reflecting the disputed charge. Any billing dispute beyond the 90-day period will not be adjusted. Any chit signed by the disputing member, or an approved signer, will not be adjusted.
5. If membership dues or monthly charge statements remain unpaid after the payment due date, the following actions will be taken:
 - a) Should any account balance remain unpaid after 30 days from its statement date, interest on the past due balance of 1.5% per month will be charged.
 - b) Should the account balance remain unpaid after 60 days from its statement date, interest on the past due balance of 1.5% per month will be charged, and a non-refundable Finance Charge of \$50.00 will be applied. Club privileges will be suspended for all persons associated with the unit, including members, designees, tenants as well as any guests.
 - c) Should any account balance remain unpaid after 90 days from its statement date, all normal fees and assessments billable in the following 12-month period will be billed to the account, and interest will continue to accrue at the rate of 1.5% per month. Also, a lien may be placed on the unit, and all legal fees incurred from this action will be billed directly to the delinquent account.
 - d) If a lien is placed on the unit and this lien is not satisfied within 60 days, the association may foreclose on the unit to recover payment for the outstanding account balance.
6. A Member and all approved membership transferees must charge any purchases of goods or services provided by the Club in the Golf Pro Shop, Tennis Shop or dining/bar facilities to their house (membership) account. Cash is not an acceptable form of payment.
7. Guests may pay by credit card (MasterCard/Visa only) for any goods or services purchased in the Golf Pro Shop, Tennis Shop or dining/bar facilities.

8. A \$25 administrative fee will be charged to all transferred (tenants/guests) house accounts that remain unpaid after 30 days from its statement date, interest on the past due balance will apply as well. The equivalent balance will become the responsibility of the unit's owner.

H. Gift Cards

1. Vanderbilt Country Club gift cards can be purchased only in the Golf Pro Shop.
2. A VCC gift card is a prepaid gift card redeemable at Vanderbilt Country Club for goods and services offered by the VCC staff. VCC gift cards have no cash value and are non-transferrable.
3. A VCC gift card can be issued as a credit to your membership account, if of a \$50 value or higher. The Club accountant can process this request; however, the gift card must be presented to authenticate.

I. Food and Beverage Minimum Requirement

1. The food and beverage minimum requirement applies to each membership as defined by the Member number and is not transferable. No other Member or employee may apply purchases to a member's minimum. Members may allow non-member family guests (i.e., parents, children, grandchildren, their related spouses, non-designee spouses and non-designee owners) to charge food and beverage purchases toward their membership account by arranging with the Director of Member Services in advance. No other persons may charge to a member's account number regardless of the status of the unspent food and beverage minimum. If a person owns multiple residences, the food and beverage minimum spent cannot be adjusted from one unit or member number to another unit or member number at any time. A Member's food and beverage minimum requirement can only be satisfied by making a purchase.
2. The Board establishes the food and beverage minimum for the calendar year. If this amount is not spent on food and beverage before December 31, the unused portion plus the state sales tax will be charged to the December member billing statement. The food and beverage minimum is identified with a member number. Upon the sale of a unit, the seller and buyer are each responsible for the pro rata portion of the annual minimum based on the month of closing. The buyer is responsible for his/her portion regardless of the seller's spending status.
3. All food and beverage costs incurred by the transferee will be credited to the member's annual food and beverage minimum requirement.

J. Reciprocity

1. This program is available to all Members and tenants in good standing from May 1 through October 31. A list of reciprocal clubs will be made available to the Membership.
2. To sign-up for dinner or other services, Members must arrange through the Administration staff in advance.
3. To sign-up for golf reciprocal play, Members must complete a reciprocal request form and submit it to the Golf Pro Shop staff at least three days prior to the date they wish to play. The Golf Pro Shop staff must make all reciprocal tee times. The Golf Pro Shop staff will contact the group captain by phone, or email, with the tee time confirmation.
4. As reciprocal guests, Members are guests of the Club they are visiting. As guests, Members will abide by all rules and regulations of the host club as well as rules and regulations of Vanderbilt Country Club. Each Member's pace of play, courtesy, dress, and behavior reflects upon all members of our Club. Members should conduct themselves in a manner that would be acceptable to all members of Vanderbilt and the reciprocal club.
5. The following list provides members and their guests with the rules for reciprocal privileges:
 - a) Membership at Vanderbilt includes the privilege of reciprocity. To maintain a variety of participating clubs, Members must follow the rules. If these rules are violated, the Member may be suspended from reciprocal privileges and/or suspended from membership privileges.

- b) Members must register under their own name and member number. If a Member invites a guest to a reciprocal club, that guest must pay the applicable guest fee(s) and must be accompanied by a VCC member.
- c) Members should wear proper attire.
- d) Members should refrain from improper behavior such as profanity, alcohol abuse, or being discourteous to the host club staff, and must adhere to the host club's rules.
- e) In case of cancellation of a reciprocal tee time, the Member is responsible for calling the reciprocal club in a timely manner. Members who do not cancel appropriately may be charged for the tee time.

K. Request for Records or Information

1. Records Defined. The official records also referred to herein as "records," available for inspection are only those designated by the Act, as the official records of the Club that are available for inspection and copying by Owners or their authorized representative, where applicable.

2. Inspection.

2.1 An Owner desiring to inspect records shall submit a written request by U.S. Mail or Certified U.S. Mail, Return Receipt Requested, to the Club at the Club's official address, pursuant to the most recent records of the Florida Division of Corporations. Requests by e-mail may be submitted only to the Club's General Manager. By submitting an e-mail request, Owners acknowledge that e-mails are often filtered or rejected from the Club's server. E-mail requests do not comply with this Resolution unless the Club affirmatively acknowledges receipt of the e-mail submission. The act of sending an e-mail shall not create any presumption of receipt. The written request must specify the records the Owner desires to inspect, including pertinent dates or time periods. The specification of the records must be sufficiently detailed to permit the Club to retrieve the exact records requested.

2.2 An Owner shall not submit more than two (2) written requests for inspection of records per calendar month. Each request shall seek not more than two (2) categories of documents. Any additional request submitted by the same Owner shall be null and void and need not be acknowledged by nor responded to by the Club. For purposes of this section, a "category" shall be defined as a specific or general request with shared characteristics which is reasonably definite with respect to date and scope. In the event of a disagreement whether a request includes multiple categories, the Club's discretion shall control. By way of example only, a request for "all golf course expenses for March" shall be considered one (1) category. A request for all active contracts entered into by the Club shall be considered one (1) category. A request for all financial records and bids for any specific month shall be considered two (2) categories.

2.3 No Owner shall remove original records from sealed envelopes or from the location where records are inspected. No marks or alterations shall be made on original records.

2.4 Records shall be made available for inspection by the Club on or before the tenth (10th) business day after receipt by the Club of the written request. This time frame may be extended upon agreement of the Owner or for good cause. In addition, this time frame shall be extended in the event the records are so voluminous, or otherwise in such condition as to render this time frame unreasonable. In any case, the Club shall always use its best efforts to make records available for inspection by the tenth (10th) business day after receipt of the request. The Club may rebut the presumption of the obligation to provide access by obtaining an opinion from legal counsel that the Club has, under the

circumstances, attempted to address the Owner's records inspection request promptly and in good faith. For the purposes herein, "business day" shall mean Monday through Friday, exclusive of federal, state, and local holidays in which the office of the Club, or office where the records are being made available for inspection, is closed. For purposes herein, "normal business hours" shall be the hours the Club office is customarily open or the hours the location where the records are to be inspected is customarily open, or if there are no customary hours of operation, then 9:00 A.M. to 12:00 P.M. and 1:00 P.M. to 5:00 P.M., all on a business day

2.5 The Club may allow an Owner to use a portable device, including a smartphone, tablet, portable scanner, or any other technology capable of scanning or taking photographs, to make an electronic copy of the official records in lieu of the Club's providing the Owner with a copy.

2.6 An Owner shall pay a copying cost equal to \$.20 per page when copies are made by the Club. If copies are made by an outside vendor, actual costs shall be charged to the Owner. Payment in advance for the cost of copies shall be required. No copies of records shall be made unless and until payment for the copies is received. In addition, the Club may charge for its actual labor costs incurred in the act of copying the documents up to a maximum hourly rate of \$20 when the production involves more than 25 pages and the time spent copying the documents exceeds ½ hour.

2.7 If records are kept in computer format, the Club may print such records to paper. The Club may but shall not be obligated to allow Owners to access the Club's computer system or connect any device to the computer system. If the Club provides access to records through a computer supplied by the Club or the office in which records access is being conducted, the person inspecting the records shall not e-mail the records inspected to any other computer, person, or e-mail account, review other content or programs on said computer, nor otherwise download, forward, or otherwise transmit or manipulate the data he or she reads during the inspection of the records by review on electronic mail, internet, or computerized format.

2.8 The Club may comply with its obligation to make records available for inspection by providing them to the Owner by electronic mail, the internet, or making them available in a computerized format readable with customary programs used in computers of consumers.

3. Manner of Inspection. All persons inspecting or requesting copies of records shall conduct themselves in a courteous manner and shall not interfere with the normal operation of the Club office and the duties of their personnel, or the office where the records are otherwise inspected or copied, nor the duties of their personnel. The Club office, or office of inspection, may assign a staff person or other person to assist in the inspection and all requests for further assistance and copying during the inspection shall be directed to that staff person.

4. Enforcement of Inspection Rules

4.1 Any requests for inspection not complying with this Rule need not be honored.

4.2 The Board of Directors may take whatever appropriate legal action is available against any person who fails to comply with this Resolution, including but not limited to fines or suspensions.

4.3 Nothing in this Resolution shall be construed as a limitation or restriction upon any of the Club's rights or remedies, or act as an election of remedies.

4.4 The President of the Club or the General Manager shall have the authority to interpret and implement the provisions of this Resolution and make decisions and judgments arising hereunder without the need for Board approval on a case-by-case basis.

III. Architectural Review Committee (ARC)

Article IX of the VCA Documents addresses architectural control and construction requirements for our community. The purpose of the ARC is to establish and maintain consistent design and construction of homes and multi-family buildings compatible with the VCC themes, to preserve the value of the community, and to promote the general welfare of the owners. Any exterior modification to a single- family or multi-family structure or landscaping must not be made until the owner receives approval from the ARC. This includes, but is not limited to: fences, walls, hedges and other boundary structures, driveways, sidewalks, pools, pool decks, hot tubs, screen enclosures, decks, patios or extensions, exterior paint or finish, exterior or roof materials, awnings, shutters, hurricane protection, generator installations, decorative plaques or accessories, statues, benches and other outside furniture, planters, birdhouses, or other pet houses, mail and newspaper boxes, exterior lighting, swales, sidewalk and driveway surfaces or treatments, antennas and satellite dishes or landscaping.

It is in the interest of owners that the interiors and exteriors of all units be updated and maintained at a high standard, free from any mold or other such substances and that all equipment is serviced and operational. Maintaining units in top condition reflects positively on the Vanderbilt community and maintains the value of all properties.

A. Renovations Responsibilities

Prior to the commencement of major renovations (e.g., remodel kitchen/bathroom, add/remove, replace tile or wood flooring), the homeowner must notify their abutters in person or in writing of the following:

1. Approximate start and stop dates
2. Extent of the work.

Work must be done during normal workdays (Monday – Saturday), and normal work hours (8:00am - 5:00pm), unless approved in advance by the CAO (Community Association Office) staff.

B. ARC Authority

The ARC has the authority to inspect properties when conducting business to ensure compliance with Article IX of the Vanderbilt Community Master Declarations and the Architectural Review Guidelines. The ARC Members will conduct inspections during property tours at randomly selected intervals throughout the year. The ARC will make every effort to remain on common grounds during these inspections, but it may be required to access an owner's lot to gain a better view. Only in instances requiring the viewing of a limited common element, such as a lanai or entryway (Waterford Condominiums and Wedgewood Carriage Homes), the ARC will ask the owner, either verbally or in writing, for access to the area in need of review.

If a buyer has notice of an existing ARC violation at the time of purchase, the transfer of membership privileges to that buyer may be denied, at the discretion of the Board of Directors, until the unit purchased is brought into compliance with ARC requirements.

More information regarding ARC requirements can be found in the Club's Master Declarations, posted on the member website.

IV. Common Areas

A. General

The speed limit in the community is 24 mph, except for Parkstone Place, where the speed limit is 20 mph. Speeders will be sent a written warning with a copy of the warning sent to the Board of Directors. Repeat violators may be subject to a hearing at the discretion of the Board of Directors.

A resident has the responsibility to notify the Gatehouse staff of any pending delivery to their home through the DwellingLIVE website or app, which is the preferred method, or through the Gatehouse Voice Messaging System at 239-217-9205. In the event the homeowner is unaware of a delivery, such as a floral delivery, the Gatehouse staff will attempt to contact the homeowner via telephone, upon the arrival of the delivery vehicle. If no contact is made, the delivery vehicle will be denied access into the community.

Residents leaving their homes/units for an extended period must turn off the water while the home/unit is vacant, to help minimize any potential damage. Contact the Community Association Office for information on how to prepare your residence for an extended vacancy.

Yard sales, garage sales and similar activities are prohibited.

B. Vehicle RFID Transponders

Permanent RFID transponders are provided consistent with the Rules and Regulations and will be provided to Members for their personal vehicles only. The affixed RFID transponder allows access through both residential entrances—Vanderbilt Beach Road (main entrance) and Collier Boulevard/951 (rear entrance). RFID transponders provided may only be affixed to a vehicle by a designated VCC employee in the Community Association Office. RFID transponders will not be issued for trucks and commercial vehicles pursuant to this section, except in the case of trucks that are in compliance with Article 8.10 of the VCA Master Declarations. RFID transponders may be obtained at the Community Association Office Monday – Friday at designated times. The applicable fee, if any, will be billed to the membership account.

New Residents: RFID transponders are provided to new resident Members free of charge (up to two) when they complete a resident questionnaire and submit it to the COA.

New Vehicles: RFID transponder for new vehicles may be purchased by residents for a \$10+ tax fee.

Rental Vehicles: Members visiting with a rental vehicle may obtain a temporary RFID transponder for a \$25+tax fee. The RFID transponder affixed to the rental vehicle will expire/deactivate as per the indicated departure date.

Tenant Vehicles: Tenants may obtain a temporary RFID transponder from the Community Association Office during their stay for a \$25+tax non-refundable fee, which will be charged to their tenant account. The RFID transponder affixed to the tenant's vehicle will expire per the departure date indicated on their application. Tenants may continue to use the prefixed RFID transponder from a prior visit, though the \$25+ tax fee still applies. If a tenant chooses not to purchase a RFID transponder for their vehicle, they must obtain a pass from the gatehouse personnel, which will be scanned, by hand, upon each entry and affords only access through the main entrance visitor lane. This pass will be issued in 30-day increments.

C. Admittance Procedure for the Main Entrance

In order to gain access into the community, the Gatehouse staff will require a valid driver's license to be shown by visitors/vendors, guests. Anyone who cannot, or will not produce his/her driver's license, will be denied access to the community.

A daily pass is given to a person or vendor for which a Member has notified the Gatehouse through the DwellingLIVE website or app, which is the preferred method, or called the Gatehouse voice messaging system 239-217-9205 and placed the visitor's name on the visitor log for that day. A long-term pass (30 days) is issued to tenants and anyone who is listed as a permanent visitor or vendor. All will be required to initially (and upon renewal) show a driver's license to gain access into the community.

Members are responsible for the actions of their guests, including those on their permanent visitor list who enter without the members knowing. Members may sign up through the gatehouse Visitor Management System to be notified by text message or email when a visitor or guest arrives.

If a resident/tenant has not notified the Gatehouse of a guest's arrival, the Gatehouse staff will attempt to call the resident for permission to admit the visitor. If the Gatehouse staff is unable to contact the resident, the visitor will not be admitted.

Residents/tenants who arrive in a rental/loaner vehicle, limousine/taxi service or residents who attempt to enter through the visitor lane without a RFID transponder must produce identification.

Well-known commercial vehicles such as FedEx, UPS, Mainscape, Hotwire, Amazon, etc. will be permitted to enter without a photo I.D. requirement. For a large event or special function involving outside participants who are registered through the Clubhouse in groups of 10 or more, the Gatehouse staff will ask the driver his/her purpose of entering the community and give directions to the Clubhouse. There are some special situations that will require Gatehouse staff's judgment, such as walkers, bike riders, etc. who had exited the community and, due to attire, do not have a photo I.D. for re-entry.

The Gatehouse staff are not law enforcement officers and are not intended to substitute for or perform law enforcement duties or the normal functions of law enforcement officers. In an emergency, Members should call 911 and then call the Gatehouse staff to notify them of the emergency and location so that Gatehouse staff are alerted to be in place for EMS arrival. The emergency line for the Gatehouse is (239) 348-3385.

D. Parking

1. Unregistered or abandoned vehicles are not permitted to be parked in driveways or common or limited common area of the community.

3. Recreational vehicles are permitted to park for limited purposes, such as loading and unloading in designated areas, for a period not to exceed 24 hours.
4. Each owner who has a two-car garage must use at least one space in that garage for parking a vehicle, other than a golf cart. An owner's golf cart must be kept in the garage. In the event an owner keeps a boat (or some other vehicle or trailer) in his/her two-car garage, the other space must be used for parking a vehicle.
5. Overnight parking on the street is prohibited.
6. Garage doors must be kept closed, except when in actual use and during reasonably limited periods when the garage is being cleaned or other activities are being conducted.
7. Commercial vehicles, trucks (as defined as a truck by the vehicle manufacturer), pick-up trucks not used solely and exclusively for personal use and without after-market modifications, trailers, campers and boats are not permitted to be parked or to be stored on the properties, except: i) in enclosed garages per Article 8.10 of the VCA Documents or, ii) spaces, if any, specifically designated for that express purpose by the Association and, iii) must have prior approval by the Community Association Manager.

 9. For a period less than three hours trucks may be parked in driveways for the purpose of cleaning, loading, unloading, or between frequent trips to and from the home. After the three-hour period, trucks may be ticketed by the gatehouse staff and the following action will be taken:
 10. A ticket advising the vehicle owner to contact the Community Association Office within 24-hours of the receipt of the ticket will be placed on the windshield. Once the CAO receives a copy of the ticket, if the member takes no corrective action, then notice will be sent to advise of the proper truck parking policy.
11. Overnight visitors with trucks that cannot properly fit in a garage, or those units without garages, have the option to park their trucks at the designated parking spaces of the Clubhouse parking lot overnight, assuming space is available, but only with the approval of the CAO staff, who will designate the appropriate parking. This area may not be used for any type of storage, such as trailers, campers, motor coaches, etc. Visitors with trucks staying for less than an overnight period may park in an owner's driveway on a temporary basis.

12. Guest parking spaces in Waterford Condominiums and Wedgewood Carriage Homes are intended for guests only. A “guest” is someone who does not reside in the unit for an extended period. Residents/owners should refrain from parking in guest parking spaces. Parking is always an issue during the height of the season. Everyone’s cooperation is appreciated.

13. The extra paved parking spaces located adjacent to, but not as part of, driveways in front of each building, are for the temporary use by owners, visitors, and service vehicles, and are not limited common areas appurtenant to any individual unit. There is no priority of use by the owners, visitors, service vehicles, etc., of any unit within the building where such spaces are located. These extra parking spaces are to be utilized as overflow parking only. Owners are requested to inform their visitors to utilize the space adjacent to and in front of their respective building, and such spaces are to be shared on “first come, first served” basis. Owners’ vehicles may be parked in such spaces only temporarily during daylight hours.

14. Overnight street parking is not allowed.

Non-trail fee carts may be used on community streets and may park in the common parking lots in front and back of the Clubhouse, behind the Golf Pro Shop in designated cart parking areas, practice ranges and activities center. M. Lost and Found

Found sports-related equipment should be turned in to either the Cart Attendants or the Tennis Pro Shop. All other articles found anywhere on property should be turned into the Administration Office, where they will be stored for 60 days. If items are unclaimed after sixty days, they will be donated to a charity of the General Manager's choosing.

N. Bulletin Boards

Except as permitted by these Rules & Regulations, no commercial advertisement shall be posted or circulated in the recreational facilities or the common grounds.

S. The Earth Networks – Sferic Siren Lightning Alerting System

The lightning detection and warning system is in place for your safety. Upon hearing one long siren (approximately 15 seconds), which means the golf course and all practice areas are closed and everyone must seek shelter immediately. Upon hearing the three short sirens (approximately five seconds each), the golf course and all practice areas are open. The Earth Networks Sferic Siren Lightning Alerting System is a safeguard, but, as an "Act of God," lightning can be sudden and unexpected, and the Earth Networks Sferic Siren Lightning Alerting System is not intended to replace the use of prudence and common sense of the individual. No system is fool proof. Everyone should always assess weather conditions before going outside and always be prepared to take the appropriate action needed to ensure one's safety.

The Vanderbilt Community Association is not responsible for persons not seeking appropriate coverage, personal injuries or property damage resulting from lightning strikes upon the golf course or within the community.

T. Cooking on Lanais (Waterford & Wedgewood only)

Pursuant to the Florida Fire Prevention Code, no hibachi, grill, or other similar device used for cooking, heating, or any other purpose shall be used, or kindled, on any balcony, under any overhanging portion, or within 10 feet of any structure.

V. Golf

A. Tee Time Policy

Advance tee time requests (advance tee times are considered to be those requests made more than four days in advance) will be booked exclusively through the Chelsea Tee Time Reservation System via the Internet. NO ADVANCE TEE TIMES WILL BE GIVEN OUT IN PERSON. After the tee times have been assigned by the system, any remaining tee times will be available on a first- come, first-served basis.

1. Members and tenants may request tee times from four to 14 days in advance by using the Chelsea Tee Time Reservation System. Tenants shall have membership numbers that are different from the owners' numbers. The owners' numbers will be inactive whenever they have transferred their privileges.
2. Tee time procedures are governed by the Chelsea System. Information regarding the Chelsea System may be obtained from the Club website or by contacting the Pro Shop.
3. Penalties for "LATE" cancellations and "NO-SHOWS" for posted tee times will be enforced upon all Members (including any guests' posted times) for "regular play" as follows:
4. Peak season (January through April): Posted tee times must be cancelled by calling the Golf Pro Shop no later than 5:00PM on the day prior to play. Failure to do so will result in a Chelsea play point charge toward the playing average as if the person had played in addition to points for guests had they played.
5. Non-Peak season (May through December): No play charge or fee will be charged for a "NO CALL" and/or "NO-SHOW". However, please be considerate of your fellow Members by making every effort to contact the Golf Pro Shop staff should you unexpectedly need to cancel a tee time.
6. Chelsea points will not be charged as a result of:
 - a) Golfers cancel with the Golf Pro Shop on the day of play, because of a "cart path only" restriction.
 - b) Weather conditions become unplayable.
 - c) The course closes due to severe inclement weather as determined by the Golf Professional staff and/or Golf Course Superintendent.
7. Penalties for "LATE" cancellations and "NO-SHOWS", for posted tee times will be enforced upon all members for Men's and Ladies Day play as follows:
 - a) For peak season (January through April): Posted tee times must be cancelled by calling the Golf Pro Shop no later than 5:00 on the day prior to play. Failure to do so will result in a charge of the Men's Day or Ladies' Day fee.
 - b) Non Peak season (May through December): No play charge or fee will be charged for a "no call" and /or "no-show", however, please be considerate of your fellow members by making every effort to contact the Golf Pro Shop staff should you unexpectedly need to cancel a tee time.
 - ii. Players should report to the Golf Pro Shop at least 30 minutes prior

to their tee time. Players should report to the Starter at least 10 minutes prior to play. In the event of such loss, the players may not play unless authorized by the Golf Pro Shop.

c) All member play after the closing of the Golf Pro Shop must start on #1 or #10 tee. Golfers must yield to any 18-hole golfers crossing over to #1 or #10. Guests and Non-Trail fee members playing after the Golf Pro Shop closes must pay the appropriate fee and notify the Cart Attendant on duty or the Golf Pro Shop staff the following day.

d) No play is permitted by tenants, or their guests, after the Golf Pro Shop closes unless the Golf Pro Shop staff has been previously notified and the appropriate fee paid. This includes those walking the golf course.

e) All tee times must be made by use of the Member's own membership identification number. Members and tenants may not use another Member's identification number in lieu of his/her own.

f) The Chelsea System will track the daily play of each unit for the preceding 14 days. THE PLAYING AVERAGE is the sum of all plays charged to the Member's unit for the preceding 14 days. For example, if the total rounds from a Member's unit totaled six in the preceding 14 days, the unit's playing average would be six. A tenant assumes the unit's Chelsea play history.

g) Each time a Member, tenant, their spouses or their guests play, applicable Chelsea points will be issued to the unit's PLAYING AVERAGE. For example:

- (a) Owner plays—one Chelsea point will be charged

- l) Any misuse of the Chelsea system will subject the abuser to disciplinary action including, but not limited to, Chelsea Point penalties.

(Examples: #1 Group reservations which make use of multiple threesomes, but which are divisible by “4” will be compressed into foursomes. #2 Use of absentee players’ point status to gain favorable placement on the tee sheet).

- (13) A multi-unit owner is solely responsible for ensuring the correct member number is used for all requests and bookings through the Chelsea Tee Time Reservation System and must pay a daily cart fee if the tee time is booked utilizing a unit that has not been assigned a trail fee.

(14) If the cart owner and spouse (member and/or dependent) are playing golf at the same time, but not together, the spouse (member and/or dependent) will not be required to pay a cart fee for riding on a club-owned cart. In the case where more than two people (member and/or dependents) from the same unit are playing at the same time, each additional player will be required to pay a cart fee.

(15) Golf cart occupancy is limited to two persons.

F. Walking

1. Walking may be permitted May through December at the discretion of the Head Golf Professional.
2. When using a pull cart, it must remain off the putting surface, tees and bunkers.
3. No walking is permitted by tenants, their guests and member's guests after the Golf Pro Shop closes without paying a golf fee. If walking, or using a pull cart, after the Golf Pro Shop closes, any applicable golf fee must be paid at the Golf Pro Shop.
4. Walkers must properly care for the golf course by carrying a container of sand to fill divots, or permission to walk will be denied. Sand is available in the Cart Barn area.
5. Tenants or guests who are permitted to walk will be charged the appropriate golf fee.
6. Casual walking, jogging, dog-walking, rollerblading and skateboarding are always prohibited on the golf course and cart paths.

G. Junior Play

1. Juniors less than 18 years of age are not permitted to begin play, use the putting green, or practice areas before 2:30PM from November 1 through April 30, unless accompanied by an adult.
 - a) The golf professional staff may waive playing restrictions for Juniors that the golf professional staff determines have adequate knowledge of golf rules and etiquette.
 - b) Juniors under 16 years of age must be accompanied by an adult, unless they have permission to walk the course from the golf professional staff.
 - c) Juniors operating a golf cart must possess a valid driver's license, and must obey all traffic rules, including stop signs.

H. Pace of Play

1. Player Assistants are provided to improve the quality and enjoyment of the game of golf. They help golfers locate missing clubs, head covers, and assist reciprocal players and other guests. However, their primary function is to ensure all players finish their round within the pace of play guidelines established by the Club. To achieve this, each group of players must strive to maintain their position directly behind the group in front of them.
 - a) The Player Assistant will remind players to keep their cart on the paths and to comply with the cart status of the day. Carts are not permitted off the cart path on any par 3 holes, and all four wheels must be on path surfaces at tees and greens.

- b) Groups “out of position”, and who are behind the established pace of play, will be asked to correct their position, which may include skipping holes. All players must understand that the Player Assistants are there to improve the quality of play and the enjoyment of the game for all members and their guests. Guidelines to determine if a group is “out of position”:
- c) On a Par 3: The group in front has cleared the next tee
- d) On a Par 4: The group in front has cleared the putting green on the hole being played
- e) On a Par 5: The group in front is on the putting green of the hole being played.
- f) To assist with monitoring pace of play, FairwayIQ golf cart tracking sensors have been installed in the Club’s cart fleet, and portable trackers are handed out as needed to Members with trail fee carts. Members are responsible for returning portable tracker units immediately following their round.

I. Courtesy, Etiquette and Safety

Golf is a game where courtesy and etiquette should always be observed. The following policies should be strictly adhered to for the maximum enjoyment of everyone using the golf course.

Members are requested to follow these rules and to urge others in their playing group to do the same. Infractions must be reported in writing to the pro shop.

1. All divots must be filled with sand.
2. Repair all ball marks on greens.
3. Rake and smooth bunkers after play. After hitting a shot from a bunker, place the rake head in the bunker on the low side, with the handle facing out
4. If necessary to remove the flag, place the flag on the green rather than dropping it. This will extend the life of the reflector crystals on the flag sticks.
5. Twosomes and threesomes shall accept other members to fill their group.
6. Inexperienced golfers may not be permitted to play during peak times of the day.
7. Please be respectful of private property surrounding the golf course. Under no circumstances shall carts be driven on, or any shot played from, an owner’s property.
8. Hitting a ball into the group ahead to signal them to speed up play, or for any reason, is strictly forbidden and an obvious threat to player safety. Any instance of this behavior should be reported to the Golf Pro Shop or the Player Assistant as quickly as possible. Violators will be subject to disciplinary action.
9. The disposal of cigarettes, cigars, and other smoking materials, including the ashes, lit or unlit on the golf course is prohibited. Persons in violation of this rule will be subject, after a hearing, to suspension of their membership privileges and/or a monetary fine.

J. Ready Golf

The basic elements of READY-GOLF are as follows, and are recommended for use when safe to do so:

1. On the tee: The player who is ready should hit, regardless of “honors”.
2. Tee to green: Take appropriate clubs when approaching your ball; be ready to hit when it is your turn. When driving a cart, drop your partner at his/her ball, then continue to yours; be conscious of the three-minute lost-ball rule.
3. If the player who is “away” is delayed, other players who are ready should hit.
4. On the green: Continue putting until holed out unless you would be standing in another’s putting line.
5. Short cut: Mark your score on the way to or at the next tee.
6. Always: Keep up with the group in front of yours.

K. Golf Handicaps

To establish an accurate and legitimate handicap, players are required to post all 18- hole and 9-hole scores using the handicap computer located in the Golf Pro Shop, Clubhouse, or Terrace Café. Scores may also be posted through the GHIN app or the GHIN website. Scores from other courses should be recorded along with the appropriate course and slope ratings if the courses played are not listed.

1. To be eligible for Club events, Members and tenants must have a current USGA handicap index registered in the Vanderbilt GHIN handicap system and must pay the established annual handicap fee. Guests must also have a current USGA handicap index when playing in Club events.
2. If a Member is returning, or transferring membership (i.e., tenants) for the upcoming season, the Member’s Vanderbilt GHIN record must be up to date prior to registering for any Club event.
3. All tournament scores and Men’s and Ladies’ Day events will be posted by the Golf Pro Shop Staff.
4. Members who participate in away tournaments should not post those scores as a “tournament score” but should post those scores as a regular score.

L. Golf Guests

1. All guests must be registered with the Golf Pro Shop staff before playing.
2. Guests must be accompanied by at least one member in each twosome, threesome, or foursome during the peak season of November 1 through April 30.
3. Exceptions may be made by the Head Golf Professional for the months of November and December. May through October, Members must pre-register all unaccompanied guest play with the pro shop staff.
4. Each golfer must have a set of clubs. Rental sets are available in the Golf Pro Shop for a fee.

5. Family guests are defined as: member's parents, children, grandchildren, their spouses. To receive the family guest rate, the Member must pre-register the family guest(s) with the Golf Pro Shop.

M. Tournaments and Events

1. Scheduled Club events, including Men's and Ladies' Day and mixers, take priority on the course. They are to be scheduled in advance and the Membership made aware of the hours of the event.

These are only open to Members and Members' children under 23 years of age and are not subject to Chelsea Play Points. Participation in these tournaments is not permitted for guests and tenants.
3. A couple is considered one male and one female residing in the same unit as a married couple or as significant others. Player eligibility to participate in the Couples' Championship consists of members and their spouses or their significant others that must be living together in the same unit.
4. Golf Pro Shop credits resulting from tournament awards or other event winnings may be used for Golf Pro Shop merchandise only. They may be redeemed only by the Member, spouse or member designee residing in the same unit and are not transferable. Accumulated credits must be redeemed by June 30 and are forfeited after that date.

N. Tournament Signup

1. Sign-up for all tournaments will be made online through the Chelsea Tee Time system unless otherwise noted by the golf pro shop staff.
 - a) Except as otherwise provided in these rules, tournament sign-up and golfer eligibility will be noted in the tournament announcements.

O. Tournament Cancellation

Except as otherwise provided in tournament materials, if a Member or Member's team cancels a golf tournament reservation within 72 hours of the start time of the event, the Member will be charged a fee to cover all costs associated with the trophy, tee gift, and food portion of the event package (food and beverage, gratuity and taxes) only if the resulting vacancy is not filled. If a member or member's team cancels within 24 hours of the event, the full entry fee will be charged.

P. Practice Range

Practice balls are available to Members, designees, and greens fee paying golf guests (prior to their tee time). Practice balls are not to be removed from the practice range. The practice areas may only be used during designated times, as established by the head golf professional. The head golf professional may, from time to time, allow the range to stay open past the designated time for special events. There are two practice ranges available: the main practice range and the rear practice range (which is open seasonally). Golfers warming up before a tee time take precedence at the main practice range and those practicing should yield to them. The rear practice range is used for extensive practice. To access the back- range tee, drive carts down Danbury Boulevard then follow the cart path to Hole #18 tee and turn left at the "secondary range tee" sign. Please be courteous to golfers teeing off hole #18.

Club carts are available to take to the rear range. However, golfers practicing may use the main practice tee after 3:00PM January through April. On both practice ranges golfers must aim away from the #1 fairway to avoid practice balls interfering with golfers playing hole #1 and searching for balls in that area.

Q. Golf Rain Checks

If a golf round is disrupted by inclement weather, a rain check will be issued as follows:

1. 1 to 5 holes played—9- or 18-hole rain check, based on fee paid
